

Oprah Winfrey (born January 29, 1954) is an American media proprietor, talk show host, actress, producer and philanthropist. Winfrey is best known for her self-titled, multi-award-winning talk show, which has become the highest-rated program of its kind in history and was nationally syndicated from 1986 to 2011. She has been ranked the richest African American of the 20th century, the greatest black philanthropist in American history, and was for a time the world's only black billionaire. She is also, according to some assessments, the most influential woman in the world. Oprah is now a very successful person. She is now famous all over the world. She gets help from a lot of celebrities like Carrie Underwood.

She also worked with Lady Gaga. Lady Gaga and Oprah went to Harvard University, and talked to some students about their future and their choices in their lives. Oprah said that Lady Gaga was brilliant and funny.

“Oprah is a brilliant person to work with,” said Lady Gaga. Oprah Winfrey is an outstanding person. In the future, Oprah wants to get all the girls from Africa, South Africa, and India to go to college. While in South Africa, she made many dreams come true. Oprah helped many girls with their dreams to graduate.

Oprah has traveled all around the world. She traveled to India, and met a family of five that lived in a small space in Mumbai.

She traveled to Houston, and sat down with Joel Osteen and his wife Victoria. Pastor Joel Osteen is America's most influential spiritual leader.

Oprah is a true talent to other people. She is brave, kind hearted, and very talented. Oprah can do some scary stuff. She has walked across fire burning rocks. Oprah is a true talent.

Oprah is an inspiring person to many people from all over the world. She has a heart of gold for all the things she did and does to help people. Oprah has done many good things to help her community and people around her. She has Facebook pages where thousands of people comment on the things she says and does.
