

Honor

Honor to me is honesty, fairness, or integrity in one's beliefs and actions, a man of honor. There are many definitions for honor, but this is what honor means to me. You have to be honest, responsible and much more. There is also honor for the Army. It is called the Medal of Honor. This is what honor means to me.

Responsibility

Responsibility to me is an insistence of being responsible. You have to be responsible if you are the captain of your team at school. Responsibility is one of our core values. Another example of being responsible is doing what you are supposed to do.

Commitment

Commitment to me means the act of pledging, or engaging oneself. I'm going to give an example, "We have made a commitment to pay our bills on time."

Citizenship

Citizenship is a status held by the resident or member of a politically constituted community and commonly acts toward conferring certain privileges and rights. I'm going to give an example, "The child's birth must be registered in the United States for the child to acquire American citizenship."
