

Honor

When you get an award from the State, you're honored. People are grateful for what you did. Honor is like getting a medal for the most A's in your classroom. And you are glad that you got straight A's.

Responsibility

Responsibility is like walking, feeding, washing, and loving your dog. Responsibility is turning in your homework.

Commitment

Commitment is when you promise your friend that you'll keep something secret. Commitment is when you never give up, you keep on going no matter how hard it gets. When you commit to something, you make sure that you go with it, not break it. When you make a commitment, you make the biggest promise in your life that you can't fail.

Citizenship

Good citizenship is not breaking the laws of the United States, and cleaning up your environment. Good citizenship is to treat others with respect and dignity. Real citizenship, you need to have a document and a passport saying so. Good citizenship is to be a good leader.
